Uniform Policy

a. Philosophy

The personal appearance of a student reflects an image of our school to the community. It also has an impact on the student's attitude and behaviour, and thus the learning process. The uniform policy is predetermined and established to engender an attitude of respect for oneself and the school. Consistent appearance establishes standards of modesty, neatness, good taste and cleanliness. Exaggerated haircuts, hair shaving or hair colouring (unnatural colours) is not accepted. Extreme or outlandish makeup and fashion accessories (including facial piercings) are not allowed. Tattoos must not be visible during school hours, including colour days. No hats may be worn in school. The Principal will determine all standards. In order to maintain consistency of colours, patterns, fabrics and quality, and to maximize economy, a specific uniform supplier has been selected. Uniforms can be purchased through this supplier, MITY Wear Inc.

b. Uniforms

In accordance with the above philosophy, all SJB students are required to wear uniforms while on the school premises and while participating in off-campus school functions, unless instructed otherwise. In order to maintain consistency of colours, patterns, fabrics and quality, as well as to maximize economy, a specific uniform supplier has been selected. Uniforms can be purchased through this supplier.

c. Non-Dress Code Days (Colour Days)

Permission will be given by the Administration. Uniforms are not required on these days; however, students must wear acceptable clothing to show school spirit.

d. Interpretation and Enforcement of Dress Code and Uniform Regulations

The manner in which uniforms are worn is expected to reflect respect for self, for classmates, and for the image of the SJB student body in the community. Consistent appearance establishes standards of modesty, neatness, good taste and cleanliness. **Exaggerated haircuts, hair shaving, hair colouring or hair streaking (unnatural colours) is not accepted. Extreme or outlandish makeup and fashion accessories (including facial piercings and overstated ear piercings) are not allowed. Tattoos must not be visible during school hours, including colour days.** No hats may be worn in school. The Principal will determine the standards and insure adherence to the standards and spirit of the dress code.

e. Dress Code Violations

Students out of uniform must submit a permission note from their parents to the office before classes begin. Uniform excuse slips will be issued for one day only. Students without a parental note may be sent home to change into uniform, and any class time missed must be made up after school. Staff will monitor the dress code and may send any student who is in violation to the office. Dress code violations will be recorded at the office and communicated to the parents. All incidents of dress code violation will result in an in-school consequence, e.g., lunchtime detention. Students who consistently violate the uniform policy will not be able to attend classes until the uniform is corrected. The Administration reserves the right to confiscate any article of clothing or fashion that is contrary to the dress code.

Please note the policy change regarding kilt length. Students who receive more than three warnings regarding kilt length will then be required to wear the uniform pant rather than the kilt.
